

## ACTIONS YOU CAN TAKE:

- Use non-toxic, biodegradable products when possible.
- Never dispose of hazardous wastes in the trash, water or gutter.
- Use the smallest amount of a toxic product necessary to do the job.
- Place ignitable paint waste and old gasoline in closed containers to prevent pollution or fire.
- Check with your marina before disposing of used oil or other hazardous wastes. Some marinas provide recycling/disposal service.
- Contact your local solid waste authority for instructions on how and where to properly dispose of household hazardous waste.
